

Noelle *Brandt*

BRAND DESIGNER · BRISTOL

Brand systems are only as good as their sixth application. I build the kind that survive the tiny format, the rushed handover and the supplier who never saw the guidelines. Twelve years across studios and brand teams, happiest when a wordmark and a grid click.

Experience

Brand Lead, Identity Design — *2019 – 2023*
MERIDIAN STUDIO
Led identity work for eleven retail and civic clients, and wrote the studio's first brand-system playbook.

Senior Designer — *2016 – 2019*
NORTHWIND & CO
Rebuilt a fifteen-year-old visual language into a single typographic system, halving artwork turnaround.

Packaging Designer — *2013 – 2016*
ATLAS CREATIVE
Designed structural and surface packaging for food and drink, from the first sketch to on-site press checks.

Education

BA Communication Design — *2009 – 2013*
KINGSTON COLLEGE, BRISTOL
Identity systems, editorial grids and print production; graduated with the Hartley type prize.

Diploma in Typography — *2011 – 2013*
SAINT MARTIN INSTITUTE, LONDON
An evening programme in lettering and typeface design, ending in a bound specimen of an original serif family.
