// resume · 2026

Marco Reyes

UI & Motion Designer

Ten years turning dense product ideas into interfaces people can move through without thinking. I care about motion that explains, not decorates.

01 — experience

2021 — now

Northgate Labs
Lead Product Designer
Owns the design system and the motion language behind a payments app used in nine markets.

2018 — 2018 – 2021

Bluecrest Agency
Senior UI Designer
Shipped twenty client interfaces and built the studio's shared component library from scratch.

2015 — 2015 – 2018

Kettle & Co
Interface Designer
Designed booking and scheduling tools for hospitality clients across Europe.

02 — toolkit
