

NADIA R. FONTAINE

FLIGHT DISPATCH LEAD

Dispatch lead for on-demand charter: every release legal, every crew inside its duty limits, every passenger on time — even when the weather has other plans.

BASE
BOI · Boise, Idaho

CERTIFICATE
FAA Aircraft Dispatcher

CORE SKILLS

FLIGHT PLANNING & PERFORMANCE

- Releases built on real runway and climb limits
- Charts, procedures and alternates checked early
- Fuel and release timing agreed with the ramp

WEATHER & ATC

- Prognostic charts read to call a trip early
- Reroutes around ground stops and slot delays
- Clients told the moment a schedule slips

CREW & PASSENGER LOGISTICS

- Crew duty, rest and positioning tracked
- Customs and slots for international legs
- Catering, loading and medical clearances

REGULATION & SYSTEMS

- Operational control under FAR Parts 121 and 135
- Standard dispatch and flight-following software
- Trusted by flight crews and charter brokers

EXPERIENCE

2020 – NOW

LEAD FLIGHT DISPATCHER

SKYLINE JET CHARTER · BOISE, ID

Runs a six-person dispatch desk for a Part 135 turboprop and light-jet charter fleet.

2016 – 2020

FLIGHT FOLLOWER, THEN DISPATCHER

GEM STATE AIR · BOISE, ID

Tracked flights, fuel and crew duty times, then moved into release planning and customs.

CERTIFICATIONS
